Description

Located in the prestigious enclave of Benahavís, this exclusive villa offers luxury and privacy. Designed for those seeking a sophisticated lifestyle, the property seamlessly integrates into the natural landscape of the region, known for its beauty and tranquility. With a contemporary architectural design, the villa presents an ideal option for families or individuals who value comfort and exclusivity. The location in Benahavís ensures easy access to high-quality services, renowned gastronomy, and a vibrant community, all in a safe and serene environment.

OUTDOOR AREA The exterior of the villa is designed to maximize enjoyment of the Mediterranean climate. It features a spacious private garden that offers an ideal space for outdoor leisure and relaxation. The terrace, perfectly integrated with the surroundings, provides an exceptional place to enjoy the views and the outdoors. Additionally, the villa has a private pool, an essential element for cooling off during warm summer days. The garden and pool design complement each other to offer an oasis of tranquility and beauty.

INDOOR AREA The interior of the villa is designed with a focus on luxury and comfort. With five...
