Description

Located in the charming setting of Casares, these villas offer an exclusive and sophisticated living experience. With only five properties available, each villa is designed to provide maximum comfort and privacy. The proximity to the sea, just 3 km away, allows for the enjoyment of the sea breeze and a privileged natural environment. The villas are equipped with state-of-the-art technology, including smart home systems and modern appliances, ensuring a comfortable and efficient lifestyle. Air conditioning and underfloor heating guarantee a pleasant environment throughout the year.

OUTDOOR AREA The exterior design of these villas in Casares is simply stunning. Each property features a private garden, ideal for enjoying the Mediterranean climate. The spacious terraces offer the perfect space to relax or entertain guests, while the private pool adds a touch of luxury and exclusivity. The modern architecture is complemented by high-quality materials, such as porcelain tiles, which are not only aesthetically pleasing but also durable and easy to maintain.

INDOOR AREA The interior of the villas is carefully designed to maximize space and natural light....
